

Meant for Me by Kate Stevens
OCL studios, A side
2019

I can taste your lips yeah, smile is burned in my memory
I remember dancing on the patio with the lights a gleaming
low as if they burned for you and me

They say the love would last, I told myself time and time
again yeah
I used to say I'm doing fine that I'd be alright and I would
just go out and find me another man

I forgot ooo whoo I wanted something constant but I just
don't know what that is
So put on - the song you wrote for me and lets just seee
what happens - and

I'll close my eyes and pretend you're here with me just like
your sweet melody
Stuck in my head tell me how do I forget words only you
meant for me

meh ehehe me he heeee meee
me hee heee heee mee heee meee heee mee hee heeee

I'm not tied down, ooooo but you make me wanna be ya,
Ohhh the back and forth, nights on your porch and your
humming camero lulling me to sleep, ya

You say chase the world, it's just so hard without you by my
side

Oh the lyrics ain't the same my life I swear has changed
better off hanging my tears out to dry
I forgot oooo, I wanted something constant but I just don't
know what that is, so put on – the song you wrote for me
and lets just see what happens – and

I'll close my eyes and pretend you're here with me, just like
your sweet melody
Stuck in my head tell me how do I forget words only you
meant for me

Me hee hee, Me hee hee me hee ehhe

For Me hee heee hee me hee hee heee

Heee a ee a hee a hee
